Where do we process your personal data and how

Your personal data will be processed within the European Union through IT tools / manuals for which we have taken steps to apply appropriate security measures and with the help of our collaborators duly authorized and trained for this purpose. In any case, it is understood that the Data Controller, if necessary, will have the right to move the servers even outside the EU. In this case, the Data Controller ensures from now on that the transfer of data outside the EU will take place in compliance with the applicable legal provisions, for example through the adoption of the standard contractual clauses provided for by the European Commission which ensure an adequate level of protection of the personal data also outside the EU.

Rights of the interested party

You, as an interested party, have the right to ask the data controller for access to your personal data and the correction or cancellation of the same or the limitation, opposition of the processing that concerns you; you can also request data portability if it is necessary for you. To facilitate the exercise of your rights, we have activated a special e-mail address

privacy@montevibiano.it or alternatively you can use any other means of contact of our structure (telephone, fax, etc.). Before we can provide you, or change any information, you may need to verify your identity and answer some questions. An answer will be provided as soon as possible.

Right to object

You, as an interested party, have the right to oppose the processing immediately by making a request via email to the email address privacy@montevibiano.it. Before we can provide you, or change any information, you may need to verify your identity and answer some questions. An answer will be provided as soon as possible.

Right of complaint

In the event that you still believe that your rights are infringed, you can lodge a complaint with the Guarantor through the appropriate forms published on the website www.garanteprivacy.it.

Obligation or not to provide data and consequences of failure to provide it

The provision of your data is mandatory as they are processed only for contractual purposes and to fulfill legal obligations; any refusal to provide such data still entails the failure to establish the contractual relationship.
